## Festivals & Seminars

June 6

### Winged Wonders

Celebrate the pollinators and predators of the insect world. You'll discover the dazzling world of dragonflies, capture moths by moonlight, identify butterflies in the barrens, and learn about the busy life of bees and beekeeping.

John LaMere

August 1 & 2

### Nature Photography Weekend

Learn from the pros!

Weekend highlights include a photography contest,

special presentations, field trips, and fantastic food.

Kathy Java

August 22

### Giants of the Waterbird World

Keynote speaker Carrol Henderson, MN DNR supervisor of the Nongame Wildlife Program and author of eight books including *Birds in Flight: The Science & Art of How Birds Fly* opens the event. Special seminars lead by wildlife experts from MN and WI will reveal the fascinating world of swans, cranes, herons, bitterns, and loons. Includes lunch and an afternoon field trip.

from MN and WI will reveal the fascinating world of swans, cranes, herons, bitterns, and loons. Includes lunch and an afternoon field trip.

October 4

### Crex Meadows Wildlife Festival

Discover the hidden beauty and grace of this remote wilderness area. Our annual festival features guided bus tours, special presentations, field trips, interactive displays, wildlife movies, and a kid's activity room.
